Equitable growth. (see *Social inclusion*)

ensuring representation of all groups.
All share growth in equity ensuring that
development and economic growth

F

Facilitating

helping

G

Gender disaggregated data

Grouping data by gender

Gender mainstreaming

addressing and incorporating concerns of both
men and women in all our programs/projects

H

Holistic/integrated approach

having presence everywhere

Human development

improving people's lives

I

Inclusive approach development

take all views into account

Indicators

measures (scale)

Institutional framework

the way we do things/work

Integrity in governance

no corruption

J

K

Knowledge management

making information available

L

Livelihood opportunities

means of incomes

Long-term vision

vision dream

M

Mainstreaming

integrating, weave into

or

Mainstreaming

everyday, common part of normal

or

Mainstreaming

including in every aspect

Marginalized

voiceless

MDG

Millennium Development Goals (but what does it mean)

Mitigate

cut

Mitigation

reducing the negative effects

Modality

process methods

Monetize

making money available

N

O

“Operationalize”

put into action

or

“Operationalize”

kicking off, put in practice

Outcomes

achievements/results

Outcome/output

results impact

Outputs

product/activity

Outreach

listening and talking

P

Policy impact

effects/difference

Prodoc

project development

PLWHA

people

Q

R

Rehabilitation

help people recover

Results orientated

to keep end result in mind

or

Results orientated

try to be successful

Resource management

fund raising

Resource mobilization

getting money in

S

Sensitize

make aware

Social inclusion

ensuring representation of all groups.

All share growth in equity ensuring that

development and economic growth
